

SMART WOMEN CARRY CONDOMS

Brenda 8/91

"It is important that we begin to 'carry condoms', insist on their use and that we are not asbamed or embarrassed to be going around with what has been traditionally regarded as the 'man's (!) contraceptive' or a bit of a joke"

Make every day Carry a Condom Day!

From the **Women and Aids** leaflet, produced by the **Women and Aids** group, a member of **Dublin AIDS Alliance**, Avoca House, Parnell St., Dublin 1.
